

Following services are included in BARCELONA CITY SIGHTSEEING TOUR:

- North Route
- South Route
- Fòrum Route
- Discount Leaflet for Reductions for Attractions and Shops

There are 3 different Routes (44 Stops) available which can be combined unlimited within the validity of the ticket (1 or 2 Days).

You can change from one route to another. There are 3 stops connecting north and south route to make it easier!

On the bus you receive a booklet (10 languages) featuring the places you may visit at each stop, and also a leaflet with discounts coupons valid at the main monuments, and also at a number of selected shops in the City.
